**MEMORANDUM**

To: Case 24-1513-INV service list  
From: Mary Jo Krolewski, Utilities Analyst <sup>MSJK</sup>  
Re: Appointments of Vermont System Planning Committee members  
Date: August 6, 2024

---

The Vermont Public Utility Commission (“Commission”) opened this proceeding to fill three members on the Vermont System Planning Committee (“VSPC”). In May-June 2024, the Commission advertised the openings for these members.

As a result of that process, the Commission appointed the following VSPC members:

- Molly Mahar - alternate member representing commercial and industrial electric customers;
- Jonathan Dowds - primary member representing the supply resources
- Jack Greene - alternate member representing the supply resources

The member or alternate representing supply resources will serve a five-year term, starting no later than August 1, 2024, and ending July 31, 2029. The alternate member representing commercial and industrial electric consumers will fill a current term ending on July 31, 2028.
